

## IQAC Annual Report 2019-20

To pursue the action plan for performance evaluation assessment and accreditation and quality upgradation of the institutions, IQAC has been established. The prime objective of the IQAC is to evolve a system for conscious, consistent and catalytic enhancement of the performance of the institutions.

**Workshops and Seminars:** During the year, ICS College organized a total of 6 workshops and seminars. These events covered a wide range of topics, including faculty development, student counseling, research methodologies, and emerging trends in various fields. These workshops aimed to enhance the knowledge and skills of both faculty and students.

**Activities in the College:** Total 15 activities were conducted within the college to foster holistic development. These included cultural festivals, environmental awareness campaigns, and social service initiatives. Such activities helped in nurturing a sense of responsibility and social consciousness among students.

**IQAC Meetings:** The IQAC organized three meetings during the academic year. These meetings focused on reviewing the college's progress in implementing the recommendations of the previous year, identifying areas for improvement, and setting new goals. Action plans were formulated and implemented based on the discussions and insights gained during these meetings.

**Orientation Programs and Sports Activities:** To promote physical fitness and teamwork, ICS College hosted several sports events, including inter-college competitions in badminton, carom, chess, and athletics. Additionally, orientation programs were conducted for newly admitted students and teachers to help them adapt to college life and academic expectations.

**Memoranda of Understanding (MoUs):** ICS College entered into two MoUs with several research institutions, and other educational institutions to facilitate collaborative research, internships, and placement opportunities for students. These partnerships expanded the horizons of learning beyond the classroom.

During the lockdown period, teachers and management have come up with several awareness pamphlets and power point presentations on general health and Covid -19 precautions. The IQAC formation resulted in an increase in the number of research publications. Trainings, Add-on Programs and Certification Programs are a value add towards student and faculty development initiatives. The IQAC has also brought improvement strategies in facilitating the learner-centric environment towards quality education and faculty development.

Usage of technology increased with a focus on participatory teaching learning process. Measures to enhance the infrastructure of the institution were deployed resulting in the establishment of RO Plant and Digitalization of College Library and classrooms. The institution is constantly and consistently making steps to turn its weaknesses into strengths, in accordance with the IQAC.
